JOIN THE GROENPACT IMPACT AWARD

Every year Groenpact organizes a competition for students who have done great projects in the fields of Agri & Food, Horticulture and Nature & Living Environment.

HOW MUCH IMPACT DO YOU MAKE?

Have you come up with a creative solution with your fellow students?
Have you realised a project or research that has an impact on:

Climate (adaptation)

Biodiversity

Food transition

Greening the cities

Circular agriculture

Livability

More info:

Or did you start a start-up during your studie with an impact on one of these subjects? Join and have a chance to win € 2,500!

The future
is green!

Will you shine at the Groenpact podium?

There are four categories: vmbo, mbo, hbo and university. Three nominees in each category are chosen by a jury of experts.

If you have been nominated, you and your fellow students will be interviewed for a videoclip about the project and you will be our guest of honor during a festive awardceremony. This will take place at the Groenpact Manifestation on June 1, 2023.

PARTICIPATE

You can submit all initiatives - large and small - that show the importance of green solutions. Submissions must be completed in 2022 or the first half of 2023.

The theme this year is connection

You can register until February 13, by filling in a simple online form.

>> For more information and to register, [visit the Groenpact website](#)

You will also find more information about the procedure, the conditions and the assessment criteria.

Winners 2022 'Proprotein'

Frej Gustafsson and Mitchell Williams (Wageningen University) won the 2020 Groenpact Impact Award with their start-up 'Re-Shore'. Frej: "Winning a prize like the Impact Award is very stimulating: it proves that people really believe in our product."
